

Mercy Health — East Palestine Primary Care

Mercy Health is proud to have served our neighbors and friends of East Palestine for almost 45 years. During the month of February, we will be bringing mobile breast cancer screenings and dental care van to the East Palestine Library, as well as walk-in lab and mental health screenings at our office location. The health of our community is our priority and we look forward to continuing to care for you and your family.

Mobile Van Wednesdays at East Palestine Library
